What do you like about this passage?

What questions do you have?

What do we learn about people? God's heart?

What is something you need to ask/trust the Lord to help you to apply based on this passage?

------(Specific questions)-----

Are you having any difficulty navigating God's promises?

What might be causing or contributing to that?

Is there someone (or someones) in your life who is making it difficult to walk in God's promises? How willing/able are you to trust the Lord to help you see them as He sees them?

What are some things that make it more difficult for you to believe the best about people?

To what extent would you say how you see yourself (or others) is determined by how much God's loves you (or them)?
