What did you like about this passage?

What questions do you have?

What do we learn about people? God’s heart?

What is something you need to ask/trust the Lord to help you to apply based on this passage?

What are some ways you have experienced questions or struggles or brokenness in the area of male/female relationships? Maybe in your own life or in your family?

Which of the lies in this message do you think is the most destructive, and why?

With whom are you journeying that can help you with these? How willing are you to ask for help? Or maybe to find someone(s) who CAN help?

Next time: Heaven

Human beings were created by God in His likeness, specifically to enjoy a personal relationship with Him and to manage His creation. God created them male and female and instituted marriage as a sacred lifelong union between one man and one woman. Ultimately humans rejected God (sin) and incurred both physical and spiritual death (separation from God) as a

just consequence. This brokenness spread to all their descendants, as well as to all of creation.
